MEETINGS WITH MOYANE

5. I have, after consultation of records at my disposal and due reflection of past events, only met with Moyane twice before Bain & Company started work at the South African Revenue Service in 2015, which meetings occurred as follows:

5.1. Thursday, 15 May 2014 at a Tashas Café (Melrose Arch). I attended this meeting on invitation received from Massone. During the course of the meeting it became apparent that Massone and Moyane already knew each other well. Whilst I am not certain, as far as my recollection informs my understanding, Moyane might have been consulting for or advising the State Information Technology Agency (**SITA**) at that stage. I also recall that Massone conversed with Moyane on a high level on global best practices of revenue services, including Massone's view on how Italian customs and tax revenue services operate. I attach hereto a Microsoft Outlook meeting invite as "FF1".

5.2. Monday, 2 June 2014 at Bain & Company's offices. As far as I can recall, this meeting was attended by (in addition to Moyane and me) by Massone. I was primarily asked to attend the meeting in order to explain the type of operating model work Bain & Company had done by way of a case study being the work done by Bain & Company at the Development Bank of Southern Africa in the public sector. I attach hereto a Microsoft Outlook meeting invite as "FF2".

MEETINGS WITH ZUMA

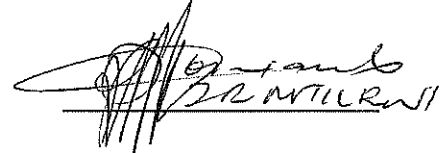

6. I have never attended a meeting in which Zuma was an attendee.
